Dear Karen Forster

### Speed Enforcement – B1121 Friston, Saxmundham Road by village green

Following your request, a Speed Detection Recorder was placed at the above location between the 25/4/17 and 2/5/17

From Saxmundham direction 19.5% of vehicles were captured travelling at or over the National Police Chief's Council (NPCC) prosecution guidelines of 35mph, which currently is just below the criteria for enforcement by our team.

However, from Aldeburgh (A1094) direction 42.1% of vehicles were captured travelling at or over the NPCC guidelines, which currently meets the criteria for enforcement by our team.

We thank you for bringing this location to our attention, and for your interest in reducing speed in your local area. This location will now become an enforcement site for us and we will periodically return to enforce here.

A copy of this letter has been sent to your Local Safer Neighbourhood Team for their information.

If you are interested in working with us to reduce speeding in your local area, and would like to become a member of a Community Speed Watch Team, or to set up your own local team, then please contact us at [communityspeedwatch@suffolk.pnn.police.uk](mailto:communityspeedwatch@suffolk.pnn.police.uk) or Tel No. **01473 613888 Ext 5988**.

Yours sincerely

Suffolk Safety Camera Team
